

Monticello School District 882 School Bus Registration Form

<input type="checkbox"/>	New Registration
<input type="checkbox"/>	Updated Information

This registration form is for use by parents to register for school bus transportation. Non-resident/open-enrolled students may be bused to and from a location within the district boundaries. The District would like to arrange routes efficiently, which includes eliminating stops for students who do not need busing. If you opt out of transportation, you can add it at any time by completing a new form. If a child requires special services transportation as indicated on an IEP, please complete a Special Transportation Emergency Card available at the SPED offices.
